Dear Commissioner Mayes,

We have a major problem in Groom Creek, Yavapai County. Our water delivery system is old and is constant need of repair. Although we are not happy to have to pay more money for our water, we understand that the new rates are necessary in order to fix our system and keep our property valuable. The repairs must be completed as soon as possible. Every time there is a break in the old pipes, we have a huge repair bill. Please approve the increase in our rates as soon as possible.
